

American Revolution SOUTHERN Campaign: Read Ch. 4 Sect. 4 to complete who won and the importance. Then, choose TWO battles to indicate your understanding of how different groups reacted by drawing appropriate facial expressions on each face and writing a caption.

- Tips:**
- The facial expression can show more than happiness or sadness.
 - The caption bubble/box should provide one detail that does more than say "yeah we won" Or "Boo we lost".

Battle	Who won	Importance	Colonists	British
